Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I'm trying to	Describe what the customer is trying to achieve or "join" the core about - what are they trying to achieve?	List the thing they are trying to achieve here
but	Describe what problems or barriers stand in the way - what bothers them most?	Describe the problems or barriers that get in the way here
because	Enter the "root cause" all why the problem or barrier exists - what needs to be solved?	Describe the reason the problems or barriers exist
which makes me feel	Describe the emotions from the customer's point of view - how does it impact them emotionally?	Describe the emotions the result from experiencing the problems or barriers

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	a bank credit officer handling dozens of credit card applications every day	evaluate each applicant's income, employment, and credit history	the current manual review is slow and depends heavily on	the bank has no standardized , automated way to score an applicant's	stressed and unsure whether every decision I make is fair and financially sound

		quickly and consistently	individual judgement	creditworthiness	
PS-2	an individual who has applied for a new credit card	receive a quick and unbiased decision on whether my application is approved	the review can take several days with no clear explanation of the outcome	approval currently relies on manual checks that differ from officer to officer	anxious while waiting and discouraged when a rejection comes with no explanation
